Sir,

I have the honour to state that the Kolar District wants about 500 tons of Burma rice in addition to the 360 tons a month required for the Kolar Gold Field. Almost the whole of the requirement of the district will have to be transported via., Bowringpet. Arrangements have to be made at Bowringpet for receiving consignments, and unloading and storing them, or transhipping and forwarding them to other stations.

2. I went into the matter with the Deputy Commissioner yesterday and we consider that it is necessary to open a depot at Bowringpet, not only to store and sell rice required for the taluk, but also store rice for other places in the district and appoint a Depot Officer who will look after loading, unloading, etc.,

3. An establishement as indicated below may be sanctione for the depot:--

One Depot Officer	on	Rs. 70/-	
One measurer	"	Rs. 12/-	
Two watchmen	"	Rs. 8/-	each
Depot rent about		Rs. 20/-	
Contingencies		Rs. 2/-	

4. Platform weighing machine will have to be supplied.

5. I request the favour of very early orders.

I have the honour to be,
Sir,
Your most obedient servant,

Food Controller & Director.
